

Title: Bridging to Juniors
Author: Cambria Jane Keely
Date: 5 June 2009

In Brownies this year I met friends anew,
Working as a team together we grew.
Having fun acting in role playings,
Practicing stranger safety sayings.
Service projects like Critter Count,
Selling cookies our earnings mount!

I'll always treasure the art we made
And remember all the games we played.
During this year my Junior friends taught me,
And now in their level I bridge to be.
